

comparative theology and the pdf

The third volume of the Journal of Comparative Theology presents articles concerning both the theory and the practice of comparative theology. This expanding inquiry into the field, represented by both the number and various subject matter of the submissions we received, demonstrates that the field continues to grow, especially among undergraduate and graduate students.

Journal of Comparative Theology

theology and religious studies. "Comparative Theology" provokes suspicions from both sides. This contribution first takes a look at the history of the rivalry, refers then to the criticism from both sides against "Comparative Theology" and suggests a way of positioning it between the two stools.
