Accelerated Aging: Photochemical and Thermal Aspects (1994)

CCAC's North Campus, located in suburban McCandless Township, Pennsylvania, was established in 1972 and is housed in a 150,000-square-foot (14,000 m²), single-building campus. Located approximately 12 miles (19 km) north of downtown Pittsburgh, the campus draws more than 38,000 students from Pittsburgh's northern and western suburbs every year.

Early recognition, assessment and treatment are important because cognitive changes " along with fatigue " can significantly affect a person's quality of life, relationships, activities and employment. The first signs of cognitive dysfunction may be subtle " noticed first by the person with MS or by a family member or colleague.

Apply for Certification in Speech-Language Pathology When to Apply. The 2014 Standards for Certification are in effect through December 31, 2019. An applicant for the Certificate of Clinical Competence in Speech-Language Pathology (CCC-SLP) applies under the standards that are in effect at the time their application is received by ASHA, not the standards in effect at the time of their graduation.

Apply for Certification in Speech-Language Pathology

We develop digital education, learning, assessment and certification solutions to help universities, businesses and individuals move between education and employment and achieve their ambitions.
